

YOUR DOCTOR DISCUSSION GUIDE FOR SHARED DECISION MAKING

Because your voice matters

Follow the tips below to guide your discussion with your doctor and ease the process of your shared decision making as it relates to your HAE.

Discussion tips for HAE treatment options		Notes
	Open the dialogue about shared decision making with your doctor	
	Ask about the different treatment options	
	Ask about the benefits and the risks associated with the treatment options	
	Voice your specific goals and concerns as it relates to your treatment	
	Ask about what the next steps would look like for the different treatment options	

Print or save this discussion guide to bring to your next doctor's appointment!
